

Never stick your teeth back in with glue
If they drop out that is not the thing to do
For new teeth need the places
And they'll fill up all the spaces
Never stick your teeth back in with glue
Never stick your teeth back in with glue

Never Stick Your Teeth Back In With Glue

Lennie Is A Lion

Lennie is a lion the loudest one alive
He roars away all through the day
But stops at half past five
Why does he stop at half past five?
That's when he has his dinner
And if he roared and then just snored
He'd end up being thinner

Healthy food is very good
It makes you big and strong
If you agree then join with me
To sing this little song (Again)

Healthy Food Is Very Good

If I Had A Drum I'd Play It Every Day

If I had a drum I'd play it every day
Bang Bang Bang Bang
This is how I'd play
I'd play it when I'm happy
Play it when I'm sad
Bang Bang Bang Bang
Drive everybody mad
