

When you're travelling around  
Don't drop litter on the ground  
Put that little bit of litter in the bin  
Tell all the friends you meet  
"Don't drop litter on the street  
Put that little bit of litter in the bin  
Wrappers, paper, card  
It's not so very hard  
Put that little bit of litter in the bin  
If there's no bin to be found  
Keep it safe not on the ground  
Till you put that bit of litter in the bin

Put That Little Bit of  
Litter in the Bin

### Soapy Bubbles In My Bath

Every day I like to play  
With soapy bubbles in my bath  
Watch them till they wash away  
The soapy bubbles in my bath  
Lovely jubbley  
When my bath is bubbley  
It makes me want to laugh  
Night and day I like to play  
With soapy bubbles in my bath
